None of the four EPA officials whose contacts Robert gave me are answering their phones. Can you please help me with someone who will pick up the phone?

What about at Headquarters? Is it remedial response? Water?

Honestly, national can't kick this to the region. You'll look even worse. Someone has got to take the questions from Hq.

Cathy,

A colleague is asking who at EPA public affairs in headquarters is handling the Colorado spill in the Animas River.

Thanks,

Seth
